Description:

"Barely 17 km separate Palma from one of the "most beautiful places in the world", as defined by illustrious characters who have passed and resided in the spectacular surroundings that surround the town of Valldemossa. Just 8 min. from him in a privileged urbanization we find this charming house, a really dreamy corner in the middle of a valley from where to dive into the impressive Sierra de Tramuntana, declared a World Heritage Site, to discover the undisputed beauty of a place that opens to the sea between mountains.

The house occupies 160 m2 and is perfect for after an improvement to the taste of the new owner becoming the perfect shelter surrounded by the amazing landscape that leaves its quiet and bright footprint throughout the house. It rises within a plot of 3.000 m2 with terraces, landscaped spaces and magnificent exteriors that are like a grandstand with impressive open views of the valley, the mountains and the Mediterranean and where the long tabletops will be bathed by the sun and the lush nature that surrounds it.

The traditional architecture house with beautiful exposed beams and sloping ceilings, has been developed in 3 bedrooms and 2 bathrooms and offers us a large living room with a fireplace bathed by the intense light and colors of the landscape thanks to its large glazed doors with exit outdoors and enhanced by the white of the interiors. The kitchen furnished and equipped has been arranged independently but open and connected to the living room by practical American bar that serves as an office.
